

CoachHub and ProDriven Global Brands

The Partnership

CoachHub and ProDriven Global Brands, a world leader in manufacturing industrial, construction and automotive equipment, joined forces in 2024. The partnership was established when ProDriven identified a need to scale leadership development globally, to meet the demand for employee growth and to build a strong internal talent pipeline.

The Goals

- Meeting a growing desire for employee development opportunities
- Aligning organisational objectives with personal goals.
- Improving self-awareness and decision-making in leaders.
- Assisting leaders as they transition into new positions.

“The transformations that I saw in participants were incredibly rewarding and showed just how impactful a well-executed coaching programme can be.”

ALICIA BADOCHA, HR DIRECTOR

The Solution

CoachHub provided a tailored, scalable program specific to ProDriven's focus areas. It launched in multiple languages and began with CoachHub's proprietary self-assessment tool, helping participants set goals that mattered to them and aligned with the organization.

THIS OFFERED

- Personalized and flexible, digital coaching sessions to suit busy schedules.
- Mid-program reflection sessions to encourage knowledge-sharing and to explore insights.

“100% of the group came back and responded that through coaching, they had a better sense of their motivation at work, their overall well-being, and their ability to deal with change.”

KEVIN BOHAN, CHRO AND SVP OF HR
